- **AAG Council Awards for Outstanding Undergraduate and Graduate Student Paper at a Regional Meeting.** This competition is separate from the one above. Designed to encourage undergraduate/graduate student participation at AAG Regional Division meetings, it also supports their attendance at AAG Annual Meetings. The paper must be authored by students only. The awardee will receive \$1,000 from ELDAAG for use towards their registration and travel costs to the April 2021 AAG Annual Meeting in Seattle, WA.
