Guidelines for Authors:

The following format should be followed in order to maintain uniformity.

1. The manuscript should be typed in **MS word format** in **1.25 spaces**, font size of **Arial-11**, on one side of the letter size paper with one inch margin on all sides. It should not exceed eleven printed pages or 2100 words (maximum 11 pages). The pages should be numbered consecutively. There should be clearly indicating Title, Subtitle, Name of Author(s), Institutions, Email address, Contact number, Address etc. The structure of the paper should consist of Introduction, analysis, conclusion and references.
2. An abstract explaining scope, methodology and major findings of the study comprising 100-150 words should be given before the main text. Title and sub titles have to be brief and precise.
3. References should be cited in the text in brackets by the last name of author with year of publication and listed at the end of text in alphabetical order.
4. Author(s) alone are responsible for the views expressed in their papers and for obtaining permission for copyright material, if used.
5. Author(s) should send their manuscript accompanied by a letter certifying that the paper has not been published elsewhere.
6. **There is no fee for paper publication. We will not supply any hard copy to any author/s. NO any charges. Free soft copy can be downloaded from website www.isdesr.org.**
7. The papers will be accepted only via email: globalresources2015@gmail.com

We would highly appreciate if you could disseminate this information further through your networks. Your cooperation will be highly appreciated. Our nine issues have been published and available on our website www.isdesr.org. Everyone can download free of cost. Please send your original paper by 21st April, 2020.

With best regards,

Editor, Journal of Global Resources
